### 2003 Form MO-1040C Instructions

### What's New on Form MO-1040C?

- All filing statuses can now file this form.
- Form MO-CR was revised to add columns for yourself and your spouse.

# IMPORTANT FILING INFORMATION

This information is for guidance only and does not state the complete law.

### **Filing Requirements**

You do not have to file a Missouri return if you are not required to file a federal return

If you are required to file a federal return, you may not have to file a Missouri return if you:

- are a resident and have less than \$1,200 of Missouri adjusted gross income;
- are a nonresident with less than \$600 of Missouri income; or
- your Missouri adjusted gross income is less than the amount of your standard deduction plus the exemption amount for your filing status.

**Note:** If you are not required to file a Missouri return, but you received a Form W-2 stating you had Missouri tax withheld, you must file your Missouri return to get a refund of your Missouri withholding. If you are not required to file a Missouri return and you do not anticipate an increase in income, you may change your Form MO W-4 to "exempt" so your employer will not withhold Missouri tax.

If you are a nonresident alien, access www.dor.mo.gov/tax for information.

For more information and examples (for residents, nonresidents, military personnel, and residents with other state income), visit www.dor.mo.gov/tax.

#### Resident

A resident is an individual who either 1) maintained a domicile in Missouri; or 2) did not maintain a domicile in Missouri, but did have permanent living quarters and spent more than 183 days of the taxable year in Missouri.

**Exception:** An individual domiciled in Missouri, who did not maintain permanent living quarters in Missouri, and maintained permanent living quarters elsewhere, and spent 30 days or less of the taxable year in Missouri is not a resident.

**Domicile:** The place an individual intends to be his/her permanent home; a place that he/she intends to return to whenever absent. A domicile, once established, continues until the individual moves to a new location with the true intention of making his/her permanent home there. An individual can have only one domicile at a time.

### **Nonresident**

A nonresident is an individual who does not meet the definition of resident. If required to file, nonresidents with income from another state must use Form MO-NRI to determine income percentages. (NONRESIDENT ALIENS must use the same filing status as used on the federal return and must itemize deductions.)

#### **Part-Year Resident**

A part-year resident is treated as a nonresident. However, a part-year resident may determine tax as a resident for the entire year using Form MO-CR. A part-year resident may use Form MO-CR to take a credit for taxes paid to another state or Form MO-NRI to determine income percentages.

### Military Personnel

The Soldiers and Sailors Civil Relief Act prevents military personnel from being taxed on military income by any state other than their home of record state.

#### Missouri Home of Record

If you entered the armed forces in Missouri, your home of record is presumed to be Missouri, and you are presumed to be domiciled in Missouri.

### Missouri Home of Record—Stationed Outside Missouri

If you: a) maintained no permanent living quarters in Missouri during the year; b) maintained permanent living quarters elsewhere; and c) did not spend more than 30 days of the year in Missouri; you are considered a *nonresident* for tax purposes and your military pay, interest, and dividend income are not taxable to Missouri. *Complete Form MO-NRI and attach to Form MO-1040C*.

If your spouse remains in Missouri while you are stationed outside Missouri, your total income, including military pay, is taxable to Missouri.

### Missouri Home of Record—Stationed in Missouri

If your home of record is Missouri and you are stationed in Missouri due to military orders, your total income, including military pay, is taxable to Missouri.

### Missouri Home of Record—Entering or Leaving the Military

If you are entering or leaving the military, Missouri is your home of record, and you spend more than 30 days in Missouri, your total income, including your military pay, is taxable to Missouri.

#### Non-Missouri Home of Record— Stationed in Missouri

The military pay of nonresident military personnel stationed in Missouri due to military orders is not taxable to Missouri. Complete Form MO-NRI only (a Missouri return is not required). If you or your spouse earned more than \$600 of non-military income while in Missouri, complete MO-1040 and follow the military instructions for Part 1, Line 8 of the Form MO-A.

### When To File

The 2003 returns are due April 15, 2004.

### **Extension of Time to File**

You are not required to file an extension if you do not expect to owe additional income tax or if you anticipate receiving a refund. If you need additional time to file your Missouri income tax return, and do not expect to owe Missouri income tax, you may file an extension by filing Form MO-60, Application for Extension of Time to File. An automatic extension of time to file will be granted until August 15, 2004.

If you receive an extension of time to file your federal income tax return, you will automatically be granted an extension of time to file your Missouri income tax return, provided you do not expect to owe any additional Missouri income tax. Attach a copy of your federal extension, (Federal Form 4868 or 2688) with your Missouri income tax return when you file.

If you expect to owe Missouri income tax, file Form MO-60 with your payment by the original due date of the return.

Remember: An extension of time to file does not extend the time to pay.

**Late Filing and Payment** 

Simple interest is charged on all delinquent taxes. The interest rate will be updated annually and can be found on the Department of Revenue's web site at www.dor.mo.gov/tax.

For timely filed returns, an additions to tax charge of 5 percent (of the unpaid tax) is added if the tax is not paid by the return's due date.

For returns not filed by the due date, an additions to tax of 5 percent per month (of the unpaid tax), is added for each month the return is not filed. The additions to tax cannot exceed 25 percent. **Note:** If you file an extension, a 5 percent additions to tax charge will still apply if the tax is not paid by the original return's due date, provided your return is filed by the extension date.

If you are unable to pay the tax owed in full on the due date, you may request a Payment Plan by completing Form 4338, Individual Income Tax Payment Request.

### Where to Mail Your Return

If you are due a **refund** or have **no amount due**, mail your return and all required attachments to:

Department of Revenue P.O. Box 500 Jefferson City, MO 65106-0500.

If you have a **balance due**, mail your return, payment, and all required attachments to:

Department of Revenue P.O. Box 329 Jefferson City, MO 65107-0329.

### **Dollars and Cents**

Rounding is required on your tax return. Zeros have been placed in the cents column on your return. For 1 cent through 49 cents, round down to the previous whole dollar amount. For 50 cents through 99 cents, round up to the next whole dollar amount.

Example:

Round \$32.49 down to \$32.00 Round \$32.50 up to \$33.00

### **Amended Return**

You must use Form MO-1040 (long form) for the year being amended.

### Fill-in Forms that Calculate

Access www.dor.mo.gov/tax to enter your tax information, and let us do the math for you. No calculation errors means faster processing. Just print, sign, and mail the return.

### **Missouri Return Inquiry**

The Department of Revenue has an individual income tax return inquiry web site. The site is available 24 hours a day to check on the status of your **current year return** and can be accessed by visiting the department's web site at **www.dor.mo.gov/tax**. The following information is required to obtain the status of the Missouri return: 1) the first social security number on the return; 2) the filing status shown on your return; and 3) the exact amount of the refund or balance due in whole dollars.

### **Consumer's Use Tax**

Consumer's use tax is a tax imposed on goods purchased for storage, use, or consumption from out-of-state sellers who are not registered with the state of Missouri to collect the tax. Consumer's use tax laws are very similar to sales tax laws.

When you purchase tangible personal property outside the state of Missouri totaling more than \$2,000 in a calendar year, which Missouri use tax has not been charged and collected by the seller, you are subject to the payment of use tax. See Form 4340, Consumer's Use Tax Return, included in this book, for more information. The due date for Form 4340 is April 15, 2004.

### **Taxpayer Bill of Rights**

To obtain a copy of the *Taxpayer Bill of Rights*, access **www.dor.mo.gov/tax** or call (800) 877-6881.

## Frequently Asked **Questions**

Can I file my return now but pay later? Yes, we encourage you to file your return as quickly as possible. You may pay at any time as long as the payment is postmarked no later than April 15, 2004. See Page 4, Line 26 for payment options.

How do I determine my federal tax deduction? The tax on your federal return is your federal tax amount less certain credits. This amount is limited to \$5,000 for a single filer and \$10,000 for a combined filer. See the information and chart on Page 3, Line 7 to assist you in determining the tax from your federal return.

How do I calculate my Missouri tax? If your taxable income is less than

\$9,000, you can use the tax table on the back of Form MO-1040C, to determine your tax. If your taxable income is greater than \$9,000, use the worksheet below the tax table to calculate the tax.

**Do I report only my Missouri source income on Form MO-1040C?** No, your total federal adjusted gross income is reported on Form MO-1040C, Line 1. Lines 1 through 14 of the return are computed as if you are a full-year resident. Tax (Line 14) is computed on all of your income and is then reduced by a resident credit (Line 15), or by a Missouri income percentage (Line 16). The result is a prorated Missouri tax liability (Line 17) based only on the income earned in Missouri.

Why do I have to split my income on the Missouri return if I am married and filing a combined return? Missouri law established a "combined" return for spouses filing together, rather than a "joint" return used by the Internal Revenue Service. A combined return requires taxpayers to split their federal adjusted gross income between spouses when beginning the Missouri return. Splitting your income may require more calculating, but it usually reduces the rate at which your taxes are computed. Access www.dor.mo.gov/tax/ for more information and examples.

Can I claim myself or my spouse as a dependent? No, you cannot include yourself or your spouse as dependents. You can only include dependents claimed on your federal return (Form 1040A or 1040, Line 6c).

### **FORM MO-1040C**

### Information to Complete Form MO-1040C

### Name, Address, Etc.

If all the address information is correct on the preprinted label (if available), attach the label to the Form MO-1040C and print or type your social security number(s) in the spaces provided. If you did not receive a book with a peel-off label, or the label is incorrect, print or type your name(s), address, and social security number(s) in the spaces provided on the return.

Enter your county of residence (enter "NONR" if nonresident) and the number of the public school district in which you reside (enter "347" if nonresident). See school district listing on pages 7 and 8.

If the taxpayer or spouse died in 2003, check the appropriate box. If a refund is due to a deceased taxpayer, attach a copy of Federal Form 1310.

### 65 or Older, Blind, 100 Percent Disabled, Non-obligated Spouse

If you or your spouse were **age 65 or older** or **blind** and qualified for these deductions on your 2003 federal return, check the appropriate boxes.

You may check the **100 percent disabled** box if you are unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months.

You may check the non-obligated spouse box if your spouse owes the state of Missouri any child support payments, back taxes, student loans, etc., and you do not want your portion of the refund used to pay the amounts owed by your spouse. Debts owed to the IRS are excluded from the non-obligated spouse apportionment.

### Line 1 — Federal Adjusted Gross Income

You must begin your Missouri return with your total federal adjusted gross income, even if you have income from a state other than Missouri.

If your filing status is "married filing combined" and both spouses are reporting income, use the worksheet on page 8 to split your income between you and your spouse. The combined income for you and your spouse must equal the total federal adjusted gross income you reported on your federal return. Splitting the income usually reduces the rate at which your combined incomes are taxed. For all other filing statuses, use the chart below.

FEDERAL FORM	LINE
Federal Form 1040	Line 34
Federal Form 1040A	Line 21
Federal Form 1040EZ	Line 4
Federal Telefile	Line I

### Line 2 — State Income Tax Refund

Subtract any state income tax refund included in your federal adjusted gross income (Federal Form 1040, Line 10).

### **Line 5** — **Income Percentages**

To determine your income percentage for Line 5, complete the following:

<u>Yourself</u>	
Line 3Y	_ divided by
Line 4=	
<u>Spouse</u>	
Line 3S	_ divided by
Line 4=	

The total entered on Line 5 must equal 100 percent — round to the nearest whole number.

## Line 6 — Filing Status and Exemption Amount

Check the box applicable to your filing status. You must use the same filing status as on your Federal Form 1040 with one exception:

**Box B** must be checked if you are claimed as a dependent on another person's federal tax return and you checked the "yes" box on Federal Telefile Tax Record, Line B, or Federal Form 1040EZ, Line 5; or you were not allowed to check Box 6a on Federal Forms 1040 or 1040A.

Only one box may be checked on Line 6, Boxes A through G.

Enter on Line 6 the amount of exemption claimed for your filing status on Boxes A through G. The amounts are listed on Form MO-1040C. **Note: If you checked Box B, enter "0".** 

### Line 7 — Tax on Federal Return

Use the chart in the next column to locate the tax reported on your federal return. This amount is limited based upon your filing status and cannot exceed \$5,000 for a single filer or \$10,000 for combined filers. Do not enter your federal income tax withheld as shown on your Form W-2(s) or federal return.

If you received an advance child tax credit payment from the Internal Revenue Service in 2003, you must subtract that payment from the tax on your federal return. If you have an earned income credit, you must subtract the credit from the tax on your federal return. If a negative amount is calculated, enter "0".

Federal Form	Line Numbers
Telefile	Line K(2) (Tax—second box) minus Line L
1040EZ	Line 10 minus Line 8 minus the advance child tax credit payment (Child Tax Credit Worksheet, Line 2)
1040A	Line 36 minus Line 41 minus the advance child tax credit payment (Child Tax Credit Worksheet, Line 2)
1040	Line 54 minus Lines 42 and 63 minus the advance child tax credit payment (Child Tax Credit Worksheet, Line 2)

### Line 8 — Standard or Itemized Deductions

If you claimed the standard deduction on your federal return, you must also claim the standard deduction on your Missouri return. Determine your standard deduction from the chart below.

Single	\$4,750
Married Filing a Combined Return or Qualifying Widow(er)	\$9,500
Head of Household	\$7,000
Married Filing Separate	\$4,750

If you or your spouse marked any of the boxes for 65 or older, blind, or claimed as a dependent, see your federal return for your standard deduction amount.

If you itemized on your federal return, you may want to itemize on your Missouri return or take the standard deduction, whichever results in a higher deduction. To figure your itemized deductions, complete the Itemized Deductions Section on the back of the Form MO-1040C. Attach a copy of your federal return and Federal Schedule A.

### **Line 9 — Dependents**

Do not include yourself or your spouse as dependents.

Multiply the total number of dependents you claimed on your federal return by \$1,200. Only include dependents claimed on Federal Forms 1040A or 1040, Line 6c.

## Line 10 — Long-term Care Insurance Deduction

If you paid premiums for a qualified long-term care insurance policy, you may be eligible for a deduction on your Missouri income tax return. A qualified long-term care insurance policy must provide at least 12 months of coverage for individuals with chronic health conditions and/or physical disabilities including cognitive impairment or the loss of functional capacity, who are unable to care for themselves without the help of another person. Complete the worksheet below only if you paid premiums for a qualified long-term care insurance policy and the policy is for at least 12 months coverage.

	If you itemized on your federal return and your federal itemized deductions included medical expenses, go to Line B. If not skip to Line H.

H.	Multiply Line G (or Line A if you did not have to complete Lines B through G) by 50 percent. Enter here and on Form MO-1040C, Line 10 H) \$

Attach a copy of your federal return and Federal Schedule A (if you itemized your deductions).

### Line 14 — Tax

If your Missouri taxable income is less than \$9,000, use the tax table on the back of the Form MO-1040C, to figure your tax. If your Missouri taxable income is more than \$9,000, use the worksheet below the tax table to calculate the tax.

A separate tax must be computed for you and your spouse.

### Lines 15 and 16 — Resident Credit or Missouri Income Percentage

You can take a resident credit **or** figure a Missouri income percentage, **but not both.** One spouse may take the Missouri income percentage and the other the resident credit.

Visit www.dor.mo.gov/tax for more information and examples.

Attach a copy of your other state's return if using Form MO-CR. Attach a copy of your federal return if using Form MO-NRI.

Line 19 — Missouri Withholding

Include only Missouri withholding on Line 19. Do not include withholding for federal taxes, local taxes, city earnings taxes, or another state's withholding. Attach a copy of all Forms W-2(s) and 1099(s).

## Line 20 — Estimated Tax Payments

Include any estimated tax payments made on your 2003 return and any over-payment applied from your 2002 Missouri return.

### Line 23 — Apply Overpayment to Next Year's Taxes

You may apply any portion of your refund to next year's taxes.

### **Line 24 — Trust Funds**

### Line 25 — Refund

Refunds are issued faster on returns that are filed early.

# Missouri Itemized Deductions

You cannot itemize your Missouri deductions if you took the standard deduction on your federal return. See Page 3, Line 8.

You must itemize your Missouri deductions if you were required to itemize on your federal return.

### Line 1 — Federal Itemized Deductions

Include on Line 1 your total federal itemized deductions from Federal Form 1040, Line 37, and any **approved** cultural contributions (literary, musical, scholastic, or artistic) to a tax exempt agency or institution that is operated on a not-for-profit basis. **Cash contributions do not qualify.** Contact the Department of Revenue at (573) 751-3505 to determine if your contribution qualifies.

### Lines 2 and 3 — Social Security Tax (FICA)

Your social security tax is the amount in the social security tax withheld box on Form W-2(s). This amount cannot exceed \$5,394. Your Medicare is the amount in the Medicare tax withheld box on Form W-2(s). Enter the total on Line 2. Repeat for **your spouse** and enter the total on Line 3.

### Lines 4 and 5 — Railroad Retirement Tax

Include the amount of railroad retirement tax withheld from your wages, Tier I and Tier II, during 2003. The amount cannot exceed \$8,555. (Tier I maximum of \$5,394 and Tier II maximum of \$3,161.) Enter the total on Line 4. Repeat for **your spouse** and enter the total on Line 5.

If you have both FICA and railroad retirement tax, the maximum deduction allowed is the amount withheld as shown on the Form W-2(s) less, either the amount entered on Federal Form 1040, Line 64, or, if only one employer, the amount refunded by the employer.

### Line 6 — Self-employment Tax

Include as self-employment tax the amount from Federal Form 1040, Line 28.

### Line 8 — State and Local Income Taxes

The amount you paid in state income taxes is included in your federal itemized deductions and must be subtracted to determine Missouri itemized deductions. Include on Line 8 the amount from Federal Form 1040, Schedule A, Line 5.

If your federal adjusted gross income from Federal Form 1040, Line 34 is greater than \$139,500, (\$69,750 if married filing separate) complete the Worksheet — State and Local Income Taxes to determine the correct amount to subtract. If you don't complete the worksheet on page 6, your Missouri itemized deductions will be lower than they should be and you will pay too much tax.

### **Line 9** — **Earnings Taxes**

If you live or work in the Kansas City or St. Louis area, you may have included earnings taxes in Line 8. Include on Line 9 the amount of earnings taxes withheld shown on Form W-2(s).

### **Line 11 — Total Missouri Itemized Deductions**

If your total Missouri itemized deductions are less than your standard deduction (see Page 3, Line 8), you should take the standard deduction on the front of Form MO-1040C, Line 8, unless you were required to itemize your federal deductions.

### SPLITTING YOUR INCOME

Missouri law requires a combined return for spouses filing together. A combined return means taxpayers are required to split their total federal adjusted gross income (including other state income) between spouses when beginning the Missouri return.

Splitting the income can be as easy as adding up your separate Form W-2s and 1099s. Or it may require more calculating by allocating to each spouse the percentage of ownership in jointly held property, such as businesses, farm operations, dividends, interest, rent, and capital gains or losses. State refunds should be split based on each spouse's 2002 Missouri tax withheld, less each spouse's 2002 tax liability. The result should be each spouse's portion of the 2002

refund. Taxable social security benefits must be allocated between each spouse's share of the benefits received for the year.

The worksheet below lists income that is included on your federal return, along with federal line references. Find the lines that apply to your federal return, split the income between you and your spouse, and enter the amounts on the worksheet. When you have completed the worksheet, transfer the amounts from Line 18 to Form MO-1040C, Line 1.

**Note:** Remember, the incomes listed separately on Line 18 of this worksheet must equal your total federal adjusted gross income when added together.

The department uses your social security number to identify you and process your tax returns and other documents, to determine and collect the correct amount of tax, to ensure you are complying with the tax laws, and exchange tax information with the Internal Revenue Service, other states, and the Multistate Tax Commission (Chapters 32)

and 143, RSMo). In addition, statutorily provided non-tax uses are: (1) to provide information to the Department of Higher Education with respect to applicants for financial assistance under Chapter 173, RSMo and (2) to offset refunds against amounts due to a state agency by a person or entity (Chapter 143, RSMo). # 2003 MISSOURI SCHOOL DISTRICT NUMBERS

Your Missouri school district number **must be entered on your income tax return.** This information is supplied to the State Department of Elementary and Secondary Education and is used in determining the amount of state aid to your school district.

Enter the number of the public school district where your residence is located.

The Missouri public school district names and numbers are listed alphabetically by school district name. Generally, the name of your public school district is also the name of the city, town, or village where your public school is located.

Do not write the name of the school district on the return. Enter only the number of the district in the following list. For example:

 All public schools located in the City of Springfield are in "Springfield R-XII" School District, and number "475" should be entered in the space provided.  All public schools located in the City of Columbia are in "Columbia 93" School District, and number "098" should be entered in the spaces provided.

The following should be considered in determining your public school district number:

- 1. Determine your public school district at the time of completing your return.
- If you live in one school district and work or have a permanent or temporary mailing address in another, enter the district number where you live.
- 3. If you are in military service or a student temporarily living and working away from your permanent residence, enter the district number of your permanent residence.
- 4. If you were a part-year resident of Missouri, enter the school district number of your residence while living in Missouri.
- 5. If you are a "nonresident" of Missouri, your school district number is "347".

If you are unable to determine your school district number from these instructions, call the public elementary or public high school of your school district.
